Board perspective, good presentations, good participation, interactive, and very refreshing!

S K Mitra
Independent Director

Very good and educative. Almost all the sessions were valuable. I liked the boardroom role play and financial analysis sessions the most.

V S Rangan
Executive Director, HDFC

With the fast growth in the economy, businesses have expanded considerably, increasing the roles and responsibilities of Independent Directors. So, there is a need for various initiatives to help IDs with knowledge across sectors and to update the latest regulatory developments.

Sudha Ravi
CEO, Piramal Finance Ltd.

Truly, thanks and kudos to Hunt Partners for the meticulous planning, the seamless flow from one topic to the next, the harmonious juxtaposing of the subjects and the quiet but incisive observation of every aspect of the programme as it unfolded, day after day.

Pradeep Mallick
Independent-Director, Ex-Regional Director CII

I derived significant value from the workshop organized by Altus/Hunt Partners. The faculty was very impressive and the course content relevant, particularly from an Indian context. Moreover, the programme provided many opportunities to network with peers and learn from diverse experiences. The case study & role play methodologies used in the programme provoked and introspection

Pravir Vohra
IDFC First Bank – Independent Director

The overall design of the programme is very good. The participant group is mixed, including freshers, which makes it quite interesting.

R Kannan
Chairman, Shasun Pharmaceuticals Ltd.

It was a diverse group of existing and aspiring directors, entrepreneurs, senior executives, Financial services and other sectors, including international participants which made the discussion very engaging and informative. The faculty was extremely experienced in conducting the workshop and the administration around holding the workshop was top class comparable to any international standards. The approach of learning through experience sharing by successful and known directors and actual case studies were the major highlights.
